

Enbridge Home Energy Conservation Program

Now more customers than ever before can qualify for **thousands** in available incentives from Enbridge Gas on their home renovation projects.

- Complete a minimum of **two upgrades**
- Heat your home with natural gas
- Each Service Organization provides the same customer experience and will be able to facilitate the rebate on the customer's behalf. Upon successful completion of the program, Enbridge Gas will include a \$550 reimbursement in their final incentive cheque to offset the cost of both energy assessments.
- Maximum total Enbridge Gas rebate is \$5,000**
- Work must be completed within **120 days of initial assessment**
- In order to qualify for incentives, initial and final assessments must take place prior to December 31st, 2018

Enbridge Gas Incentives: at least two of these upgrades must be undertaken to qualify for incentives

Air Sealing	\$100 • For reaching target on report \$150 • For reaching 10% above target on report Baseline calculation is done during the initial assessment

- Install 3 upgrades** - customer will receive additional **\$250**
- Install 4 upgrades** - customer will receive additional **\$500**
- Install 5 upgrades** - customer will receive additional **\$750**

To qualify for the Home Energy Conservation Program, homeowners must also agree not to participate in any other gas or building envelope program(s) offered by parties outside of Enbridge Gas Distribution Inc. between the initial and final assessments.

Program is effective to December 31st, 2018. Natural gas fuel savings are based on approved modeling software. Only one enrollment for incentive per household is permitted. To find out if you qualify for incentives, a pre and post home energy assessment is required by a Program approved Registered Energy Advisor (REA). No more than 120 days between the assessments is allowed. In special circumstances, your REA can request an extension. Please contact one of the Enbridge approved Service Organizations listed at enbridgesmartsavings.com for further information about this Program. The Home Energy Conservation Program is only available for residential detached homes, row towns and semis – no multi-residential buildings or condos. Additional information on the Program can be found at enbridgesmartsavings.com. Program may be subject to change or cancellation without notice at any time. Homeowner is responsible for ensuring they meet the Program eligibility requirements, choosing a qualified REA, keeping and submitting invoices, and meeting Program deadlines. Subject to additional terms and conditions found at enbridgesmartsavings.com. Subject to change without notice.

The above incentives have terms and conditions in order to participate. Visit enbridgesmartsavings.com or call **1-855-659-0549** for full program details.

This Program is delivered by Enbridge Gas Distribution.
